

# WOMEN'S HEALTH ISSUES

Official Publication of the Jacobs Institute of Women's Health

Women's Health Issues (WHI) is a peer-reviewed, bimonthly, multidisciplinary journal that publishes research and review manuscripts related to women's health care and policy. As the official journal of the Jacobs Institute of Women's Health, it is dedicated to improving the health and health care of all women throughout the lifespan and in diverse communities. The journal seeks to inform health services researchers, health care and public health professionals, social scientists, policymakers, and others concerned with women's health.
